WE ARE TRYING TO BE THE BEST

ABOUT US

MEXAT YE Oil and Gas Field Services, Commercial Agencies and Contracting is one of the leading companies operating in the field of oil and gas services in the Republic of Yemen

OUR VISION

We are in MEXAT YE.

We inspire the present to build future horizonion , We seek to get ahead the needs and expectations of our customers, through continuous development for our services.

healthy, safety and environment (HSE)

MEXAT YE 's management of sustainable development is committed to effective management of health, safety and the environment as an integral part of its work.

The health and safety of the employees of

MEXAT YE and any other person who may be affected in the processes and activities of the utmost importance and our goal is to maintain the rate of damage zero, as well as the minimum impact on the environment through the adoption of environmental protection programs and standards and instructions. And to ensure that the implementation of our operations in a manner that ensures the health and safety of all workers and other parties.

MEXAT YE will maintain continuous health safety and targeted environmental programs to prevent and reduce accidents and injuries, and to prevent any damage to the environment in which we operate.

Our HSE programs are based on international occupational health and safety standards, as well as applicable regional and national legal regulations and commitments and other HSE requirements as applicable to our operations. We will develop HSE objectives and environmental standards applicable in all business sectors In the company.

REPUTATION

We at **MEXAT YE** understand the importance of our customers getting a quick return of their facility or equipment to participate in existing operations. We can complete the projects in a safe and timely manner, whether maintenance or repair projects or complete manufacturing, design and installation projects. We pride ourselves and our partners in accomplishing all our clients' projects. Time and also within budget. Our customers can rely on our experience in the manufacturing, welding and processing of drilling platforms, maintenance and all to return equipment or facilities to the service in the manner and time required.

We make the future real.
International Partner Meeting

Led by the phenomenal growth of the Local Industrial Market,

MEXAT YE has successfully attracted worldwide companies interested in participating in the boom industries of Oil & Gas in Yemen.

Whilst **MEXAT YE** has good relationship with many International Companies, we have also enabled a good number of those companies to legally become part of Yemen Industrial Market through the establishment of "Sana'a Offices" and other forms of "Joint Venture Companies".

Subsequent to the legal establishment and introduction of those International Companies into the local market, **MEXAT YE** then offers assistance with invaluable Local and GCC knowledge, as well as a business intelligence service which is second to none throughout the Republic of Yemen..

The **MEXAT YE** is backed by strong financial and administrative part. Its global business partners provide excellent back up in serving the technical and material needs of customers.

We are representing various companies which provide material supplies and technical consultancies for oil, gas and petrochemical industries. We take great pride in providing professional consultancies and services at all times, promptly and efficiently. Our clients need Smart technologies because change is inevitable **MEXAT YE** is not only aware of the changes taking place but we are also working to help various firms envision the changes needed
